

Satellite U920t/Q001 PSUL1A-01Q001

Price \$1,599.00 RRP AUD (inc. GST)

Overview

Introducing the Satellite U920t. Tablet meets Ultrabook™ in a single pioneering device.

If you're craving the ability to replace your notebook and tablet with one Windows® 8 optimised device that does it all, this ultra-slim and light engineering marvel will quench your thirst for everything new.

Using a unique sliding hinge design, the elegant Satellite U920t converts in a second from a 12.5" HD touchscreen tablet experience into a full size Ultrabook™ - complete with keyboard and click pad - letting you do more, create more and play more with one single piece of pioneering technology!

Weighing just under 1.5kgs, and measuring approx. 19.9mm thin, it comes with 3rd Generation Intel® Core™ i5 processors and 256GB Solid State Drive, giving you the superb portability of a tablet and the instant-on powerful performance of an Ultrabook™.

Toshiba recommends Windows® 7.
